[Five Essential Guidelines to Help  
Navigate Your Children's Virtual World](#)  
(while promoting safety and balance)

Always **KNOW** Their  
passwords on all of  
their devices

Always **KEEP** Their  
phones and devices  
at night

Learn To **MONITOR**  
search history, social  
media and video games

Consider **TRACKING**  
if needed, apps  
and GPS locators

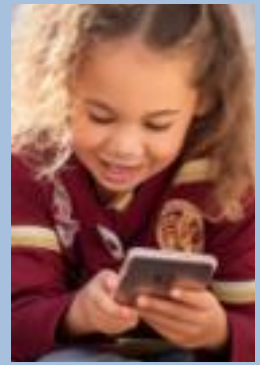

Always **LOVE** Your  
children, yet this isn't  
about being their buddy

Awareness is lacking amongst nearly everyone regarding the dangers of social media apps and games!

Tech companies design these apps and games to easily captivate our youth. They're addictive and very mesmerizing when our children are "plugged-in"
